

## **Adolescent Health Resources/ Links**

The Institute for Community Research – National Teen Action Research Center

[www.incommunityresearch.org](http://www.incommunityresearch.org)

Uses participatory action research with youth for education and prevention purposes. Has developed a Participatory Action Research Curriculum for Empowering Youth.

The John W. Gardner Center [www.gardnercenter.stanford.edu](http://www.gardnercenter.stanford.edu)

The Gardner Center works to integrate a community youth development perspective into the practices of schools, local governments, regional institutions, and policymaking systems, with the ultimate goals of maximizing the responsiveness of these systems to youths' developmental needs. Has developed a curriculum, Handbook for Supporting Youth Researchers, which is available to download from their website.

Community Network for Youth Development [www.cnyd.org](http://www.cnyd.org)

Provides technical assistance and training on youth development strategies.

Youth Leadership Institute [www.yli.org](http://www.yli.org)

Provides technical assistance and training on developing youth boards and youth philanthropy.

Photovoice [www.photovoice.com](http://www.photovoice.com)

Provides guidance on using photography as a vehicle for social change.
